

1995 Astra 1125SP

Registration: N20YL Serial Number: 76 Year Built: 1995

This is the Astra 1125SP, one of the most efficient long range business jets in the world, offering high cruise speeds, coast to coast performance, ample cabin space and baggage capacity along with low acquisition and operating costs. The Astra is more fuel efficient and environmentally friendly than the Westwind, while being faster and superior in takeoff/landing/climb performance.
